**Рейн**

The image features three parallel diagonal strips of fabric, each with a distinct color and texture. From left to right, the strips are yellow, light blue, and brown. The fabric has a visible woven pattern. The strips are set against a plain white background.

**Аруба**

**Бруклин**

***Венера***

The image features two thick, parallel diagonal stripes running from the top-left towards the bottom-right. The left stripe is a solid, muted orange-brown color, and the right stripe is a light, off-white or pale grey color. The background is plain white.

**Суде**

**Сиде БО**

The image features three parallel diagonal strips of fabric, each with a different color and texture. The top strip is a light brown or tan color with a fine, woven texture. The middle strip is a pale yellow or cream color with a similar fine texture. The bottom strip is a muted grey or taupe color with a more pronounced, slightly coarser woven texture. The strips are set against a plain white background.

**Тако**

**Флора**

The image features three parallel diagonal strips of fabric against a white background. The leftmost strip is a muted green color with a fine, woven texture. The middle strip is a plain, off-white or cream-colored fabric. The rightmost strip is a light brown or tan color, also with a fine, woven texture. The strips are oriented from the bottom-left towards the top-right.
